Our U13s and U15s Junior NPL teams especially shone with a 6-1 and 6-2 victory respectively.

Our Junior and Miniroos team include:
- 2 U10s and 1 U12s girls team
- U6s and U7s clusters
- 3 U8s, 4 U9s, 4 U10s, 3 U11s and 2 U12s Mixed team
- U16s development team

We look forward to supporting the Juniors and Miniroos team throughout the year.

Skills Acquisition Programme (SAP) commencement

FAFC will be delivering a Skills Acquisition Programme (SAP) for Junior Players (U6s-U12s) in Term Two!

This program will complement the children's current training with their team coaches and will be run by our own Junior Technical Director and First Team Captain, Dean Evans. We are so lucky to have Dean onboard, he is not only a spectacular player with years of experience to pass on to our children, but he has a fantastic approach to coaching young children and a passion for helping them become the best players and people they can be!

The SAP Program will run for ten consecutive Fridays, starting from 23rd April, 4:30pm-5:30pm. The cost for the ten-week program is only $150.

We are pleased to welcome Jawad Rezai to our Floreat Athena FC family.

He is no stranger to a high-performance level of club football, having played for Balcatta FC and Perth SC in the last year. He will be in our first team and is currently making ways with a stellar performance against Bayswater SC.

“I feel that I suit the style of play at FAFC and I see myself growing personally and as a football player with the team” Jawad says.

We wish him all the best in his journey with us and remember to always carry the lessons learnt here at FAFC.

FIRST TEAM COACH'S WELCOME.

I would like to welcome the players, sponsors, supporters and officials to Litis Stadium for the Round 6 clash with Cockburn City SC.

Last Saturday, we were able to walk away with a strong victory against Bayswater SC. It was another disciplined team effort against one of the title contenders to give us 5 wins from 5.

Today's clash with Cockburn City SC will be another very tough encounter. They have a lot of quality players in their squad and we need to be at our best to keep our run going.

Finally I would like to thank the Club, volunteers, sponsors, and fans for the their ongoing support.

U20s COACH'S WELCOME.

Firstly, I'd like to welcome all involved with Cockburn Soccer Club to Litis Stadium.

We come off the back of a disappointing result against Bayswater and we will be looking to bounce back against Cockburn today.

They are always a strong side and will prove a tough opposition. We are in need of a few leaders to step up today so see if we can stay with in touching distance of the front runners.

With a cup game on Monday against Swan, fingers crossed we can have a positive weekend!

U18s COACH'S WELCOME.

Firstly, I would like to extend a warm welcome to Cockburn SC players, coaching staff and supporters to Litis Stadium.

Last week we had our first win of the season against Bayswater, after being 2-0 down at halftime the boys responded with great effort in the second half to come away with a 3-2 victory.

Today's opponents will be another good test for our team, and one that we will be looking forward to.

Good luck to Vas and Adrian and our first team, and Zack and Ryan with U20s.

Looking forward to seeing you all on the day.
